#### REFUGE Tree of Life Center to promote peace

My wife and I moved to Myrtle Beach in May 1996. We lived in a tent at the state park for about three months. We finally found a place to rent and shortly bought our own mobile home.

This is not about me, this is about ALL God's children. He has called on me to establish and build The Tree of Life Center, a place where ALL God's children shall find refuge from the storm.

A center to teach and promote life and peace. Founded in the Word of God, for the healing of nations. If you consider yourself a child of God, call me, I will put you to work.

#### U.S. IN IRAQ Right to disagree should be cherished

There appears to be a consensus among supporters of the war in Iraq that to differ with the efforts of our government is an act of disloyalty and [anyone differing is] a traitor. This kind of thinking, in my opinion, dismisses the significance of [the First] Amendment of the Bill of Rights. More important, it suggests that fidelity to the cause in Iraq transcends the cherished conviction in our country of the importance of individualism.

I am against this war because I have chosen to question the rationale of the Bush administration. I have yet to be convinced that Iraq was directly involved in the execution of the [Sept. 11,

2001] attacks or that Iraq posed an imminent danger to us. I also fear that the Iraqi people will ultimately reject anything that remotely resembles Judeo-Christian ideology and that they will fervently fight for their right to self-determination. How many more of our brave soldiers will die in Iraq?

Good Morning.

Mr. President:

My name is Allen Dale Hurst. I would like to have INDEMNITY granted to MYSELF and ALL of MY FAMILY. It only needs to be in my name, As I AM the Head of the Household. I want tax exempt status and a tax-exempt number for those who contribute to my family, so they may have relief from their tax burdens. IF they contribute they may deduct that from their taxes. This need not be a complex matter.

We have the same objectives, I just choose to follow the tried and true methods of Our Lord and Saviour Jesus Christ, NON-VIOLENT CONFLICT RESOLUTION!!! This is of UTMOST IMPORTANCE as people are dying needlessly, not to mention, my home has been seized by the State of South Carolina and Bankers Trust Company of California have foreclosed on my mortgage, I have no transportation, but my feet, so its hard to get to where I need to get to. My credit is trashed. If you could find it in your heart to help me, God will be pleased.

With Kind Regards,  
Allen D. Hurst
