

Dear friends; this is a letter from Heaven. I am a fellow servant. This is where God has chosen to make His home, Bonne Terre, Missouri. Good Earth and Good People. The rest of the world may not be happy with this, but God is not happy with the rest of the world. They refuse to hear and do, what He asks of them. On October 6, 2001, I sent a message to the President of the United States of America; the message was received, but ignored. I know this to be a fact, the truth: God loves ALL His children; they are of equal importance to Him. Since He is the giver of life; all matters concerning life are dear to His heart. I also know for a fact that a hand written letter was delivered to the current President of the United States of America; and unless the postal service and or the Whitehouse staff disposed of it, it is part of historical record. Tangible evidence. It is not secret, it is public property, and of interest to the inhabitants of heaven and earth. There are hundreds of messages just like this one, spread all over the world, the message remains the same, the gospel of Jesus, the truth; does not change. He ask that we all be one, so then, let us all be one in the Spirit of truth, and let us love one another as is written, and let us love God, for as John says; God is love. God does not take life; as mentioned before, He gives life. How then can one reason that it is right for us to take another's life, for if we do the right thing first, we will never arrive at that question? The stated purpose of government is to ensure our rights and apply equality to our lives, yet, the laws are the very thing that divides us into the haves and the have not's. They tell me, you are not trustworthy; I am not the one who has stolen, wasted, and lost trillions of dollars of other folk's money and property. I am here to return what was lost and stolen. So, with that in mind, who is the thief?

The solution is not more conviction and prosecution. We cannot change the past, but, we can change the future by what we do today. So let us break the cycle of death and destruction, by not participating in it. Sign this petition, and stand united with all that is good, all that is Holy, and all that is right. Grasp hold of the tree of life, and eat thereof and live forever. Genesis chapter 2 verse 16 and 17: And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die. He did not say I will kill you. The consequences of the choice are what kill you. We are not bound by the choices of the past, God sent Jesus to bring us back to Him, let us return what He gave us, heaven and earth, and all that is therein.
