

Good day and Peace, from the Father, Son, and Holy Spirit!!!

In order to remove any misunderstanding, make crystal clear, the benefits of the Kingdom of God, on this earth today, I will write them down for ya'all.

Righteousness – God is always right. Doing the right thing is what is right in Gods' eyes not yours; once you have been transformed you will then know and do what is right. In eternal living, time and money, are not an issue, therefore do it right the first time. There are no coin slots in heaven or earth, and those openings in your body are not for manipulating each other. The world financial system, like it's governments are corrupt and destined for failure, they are manmade things, void of the Love of God. But fear not, Love casteth out all fear and corruption, for God is Love. The whole system of reward, designed by man, is based on lies and deception, therefore must be transformed also. This transformation begins with the individual, yet, in the Kingdom of God, We are All One. You see, overcoming the self, is the first step in overcoming selfishness, which produces the undesired effects of greed, hatred, intolerance, ignorance, violence, injustice, and inequality (evil). Your individualism extends to your appearance, personal preferences, personal space, outside of that one must be considerate of others and no one other than God is the dominant force who has the right to intervene. We teach our children Gods' Law in accordance with, I will write my laws upon the tablets of your hearts and minds and we shall serve God, in Spirit and Truth.

Liberty – Jesus, the Son of God hath set mankind free from the law of sin and death, and if the Son hath set you free, then you are free indeed. Under mans authority there is no forgiveness, yet the very ones that write and impose the law on citizens, are themselves breaking the law, they enforce their authority with inequality and deadly force. Their laws and system are based on unjust greedy precepts, money. When scripture says, the love of money, is the root of all evil, and the governing, reward, healthcare, justice, religious systems are all based on money, what do you expect the fruit of those systems to be, good? Private and public corporations, with government consent and approval have created the mess we find the world in today. Satan has no authority. People do these things to each other. Then blame it on whom, the very thing that sets man apart from the rest of the animals is his ability to reason, to think, to choose. God will not violate this right, He is also the only One who can and will judge the choices that you make. The very reason mans judicial, legislative, executive, and social systems will not produce the desired fruit; good,

healthy, productive, honest, loving, content, equal minded, folks and environment. Choose the tree of life, and eat thereof and live forever.

Justice – God Himself, and the Lamb, shall rule with an even hand. Teaching knowledge and understanding with love and compassion will produce the desired results every time. Removing the need for greed, hatred, violence, and ignorance will remove the effects of those wasted emotions and energy. You set artificial standards, of which even you yourself cannot possibly attain, and then you judge others compared to that. A pure, honest life does not involve attaining more things that you do not need nor use, simply to make you appear more important than others. Everyone is important, everyone has value, and everyone is loved in Gods' heart and mind. When you yield unto the Holy Spirit, He will guide you to make the right choice, and when you make the right choice in Gods' eyes, He will bless you for doing His will. Thus, we see that the only motivation one needs, is to love God, because He first loved us, and God will supply all of our needs, for there will be no need to want for anything, but more Love, of which there is no end. Thy will, Father, will be done, on earth, as it is in heaven. For thine is the Power, the Glory, and the Kingdom, forever and ever. Amen

With men, this is impossible, with God, All things are possible. I AM not a man, I AM God. I AM here to give you my universe, the Kingdom of God, where we may live long and prosper in Peace.
