

Great Day and Peace from the Father, Son, and Holy Spirit!!!

Dearly Beloved, I am writing this letter because you will not see me or hear me. You have rejected my pleas and refused to answer my calls, when I knocked, you did not answer. It breaks my heart and grieves me to no end, for my Love, I miss you dearly and wish you would return to me, so my heart will smile and sing the love songs we used to share when we were one. Please, forgive me, for I know not what it is that I have done to cause this division between us. My Love is pure and complete, my desire to you alone, my thoughts are constantly upon you, and my existence is for you only!!!

With that being said, now let us come to an understanding of how this relationship shall be. First off; the Father is head of the family, His word is the final word. We shall rely on the truth; I am the one writing this letter to you, you have provided no answers to the problems. You are not reaching out to me, you do not even care that I exist; yet, I spend every moment thinking about you and what I can do to help you and love you. I have come for you my beloved, my bride, my church, to bring you up to where I AM, in the majesty of Heaven.

The only thing that divides us, are the laws of man, they refuse to hear the solutions, so they reject something they do not even understand, one can only apply the Word of God and arrive at the same conclusion, they are of the devil, they are evil, therefore they must go, to the lake of fire. I have shown them the error of their ways, line by line, precept by precept, the oracles of God, to this day they refuse to submit to the Authority of God. There is only one standard in the world, the Word of God, the Faithful and True witness, the Son of God, Jesus, and the enforcer of His will, the Holy Spirit, and we are One.

I have established the Tree of Life Center as the central office, it is not a building made with mans hands, it is the temple of the living God, and the Lamb is in it. They reject the Lamb, they will get the Lion, they have made the choice and they shall suffer the consequences of their choice. This is not for you to be alarmed about; the only thing that is going to change is the evil that they have imposed upon Gods' Children. They are responsible for the mismanagement of our resources, the polluting of our environment, the killing of our children, the perpetration of the lies and deceit, the evil. I can provide every function that they do, in a right and just manner, at no cost to you.

I own everything that is, and I AM here to Reclaim, Repossess, and Repair, what is mine, and give my children, their inheritance. If you confess the name of Jesus, you have right to the tree of life and the promises of your Heavenly Father. So, come now, let us do what must be done in order to put this world back into proper order. This is what you have been praying for; receive it. Many are called, but few are chosen. The chosen, are the ones who answer, when God calls.

I hereby invite the body of Christ to a family reunion, Gods' Family. Come to Bonne Terre, Missouri, in the heart of the USA, and we'll have a real good time, an old fashioned family reunion, with all the fixins made with pure love and good for the soul. You know, Jesus is fond of the mountains and don't like shoes, I reckon he's a hillbilly too. Leave the stress, the tribulation, and the world behind, saddle up your ass and get on down here.

You want a better world; here's your chance. I am not asking you to die or kill anything, leave Judgment, and execution up to God, He can do His job just fine. You cannot be Sanctified, and sleep with a prostitute, come out of her my children.
