

My Feelings For You

My feelings for you are greater
than the ocean

My love for you stronger than
an old oak tree

I wish you could see how fun
it would be

~~Sharing each moment~~

Sharing each day of my life
with thee

Like a seedling grows into
a ~~tree~~ tree

We would grow, me into you,
you into me

Everyone needs somebody and
your the one for me

I hope you can feel the same
way I do

Cause without you I'm alone
and I miss you each day

You would surely take my heart
if you would ~~leave~~ go away

Your face is like the sun, without
it I would be in the dark

Your love is like the air that
I breath

Your smile, like the warmth of
a sunny day

One look in your eyes and
the clouds go away

I want to make you happy, that's
my goal each day

Theres one more thing I want to
say

I love you more and more each
and every day.
