Picture this in your mind and tell me what you see.

The armed solders are every where, we can not go any where without our identity being checked. If you don't agree with the powers that be, you have no voice, you have no choice. If you voice dissent, the powers that be, put you on a list. If you don't have money, to buy your ride, you ain't goin nowhere. It does not matter how many laws you craft, how many people you kill, how many people you allow to be killed, how many ways you can find to spin the facts, Hitler thought that he could kill off those who did not agree. Sharon thinks he can kill off those that don't agree. George thinks he can kill off those that don't agree. As two current examples, a leader was assasinated, by his own, because he had peace in his heart. Another leader, after Democracy was instituted by force, was assasinated. Do you see the cycle. The only way that we can achieve peace, true peace, is by NON-VIOLENT means. The violence arrises from someone who feels left out, or isolated, by the powers that be, also the one isolated is usually murdered, because he is a threat to the powers that be.

A perfect example of this is the gospel of Jesus Christ. The powers that be at the time, saw Him as a threat, so they hung Him on a cross, for ALL to see. As time has proved, you may have murdered the man, but His Spirit still lives, in billions of others just like me. And the book was sealed, so as to create a catch 22 situation, and they try their best to keep the lie alive, to keep the Holy Spirit separate from the flesh, and some Men will create diversions to prove they are right, but, the Truth my friend will always come to light, for the Truth is what God seeks in every man's

heart.

So I implore you ALL to search your heart for the Truth. Think the whole thing through, consider ALL scenarios, consider the True effects and consequences of your actions BEFORE you act. Here is a simple truth, God's form of government, is a Kingdom. The flaw with what they call Democracy, as a Republic, they say equality and justice for ALL, but, the words and actions do not agree. In a Democracy, the power is vested in the people, ALL the people, not just the elite. In a Republic, the power is vested in the elected, or selected. The truth in America is, if you don't have the money to buy your way into the process, you don't matter. And Jesus said, If you have kept all the commandments, sell all that you have, and follow me. And Jesus said, Love each other, as I Love you. How can you love someone and murder them at the same time? How can you be a follower of Christ, and say that only matters in the Spiritual world, when His message is the Kingdom of God. You say, God is in heaven, Jesus ascended to heaven, and sits on the right hand of God. Why did Jesus instruct us to pray in this manner:

Our Father, who art in heaven, hallowed be thy name. Thy Kingdom come. Thy Will be done. In earth, as it is in heaven. Give us this day our daily bread. Forgive us our tresspasses, as we forgive those, who tresspass against us. Lead us not into temptation, but, deliver us from evil. For Thine is the Kingdom, the Power, and the Glory,
Forever and Ever, Amen.

The Spirit is to be in control of the flesh, We are supposed to act on earth, as we are supposed to act in heaven. If we do His commandments, the rest will fall into place. As a follower of Christ,

your weapon is God's Word. If the Holy Spirit dwells in you, you will not, you can not, murder your brother. If you don't believe me, ask Cain. So you justify your actions in the name of God? God knows no borders, Jesus said, Worship God, and keep His commandments. Men in their confounded minds can not understand, in their pursuit of Glory, a name written in history, conceive evil thoughts and perform them. The first death is the Spiritual death, the second is physical, men are born dead, if they are never born of the Spirit, they remain dead. They may walk and talk, but, they are still dead to God. Jesus did not say, Worship me, he said, Worship God. I do not ask to be worshipped, I say, Worship God, and keep His commandments. Most ALL folks who seek fame and fortune, seek it for themselves, not for God. When the Holy Spirit speaks through an individual, the voice is the voice of God, When the Holy Spirit acts through an individual, the act is an act of God. If the speech and the actions do not agree with the Word of God, they are not from God.

If your ideas and opinions do not reflect the will of ALL the people, they do not reflect the Will of God, through His Son, access to the Father is obtained, by faith, belief in the gospel, to ALL. Now if you are a follower of the teachings of Christ, you will change a man's heart with Love, Understanding, and Peaceful means. If you are a follower of yourself or Satan, you will try to change a man's heart by hate, deception, and violence. Yes, it is time to show your true colors. You can not hide, the truth is the truth, and God will search it out. God already knows, prove Him wrong, Repent and Live. May your words and actions reflect

the image that you were created in. And as John said, Imagine.

We can only have heaven on earth, when we choose to act like Children of God. Today is the day, that we could change the world, if we choose to do so. Yesterday, is all the lost opportunities. Will tomorrow come for you? Did it come for the 7? Did it come for the 3,000 on 9/11? Will it come for George? Will it come for Saddam? Did it come for Osama? Will it come for me? I don't care, because today, I do Worship God, and I keep His commandments. If you wish to know God, come, get to know me, I know God. God knows me. And, We Love each other.

He who is without sin, let Him deny His brother the right to be reborn of the Spirit of God. Do you believe in the life saving power of the blood of Christ? Or do you believe in the death causing power of man and his intellect. We know for a fact that, if Albert knew what they were going to use his ideas for. He would not of give them to them, Oh Yea, he didn't, they stole them. And the most wealthy man in the world today, stole another man's ideas, and let the market decide. And as long as they can keep the divisions, and the lies alive, they will keep wasting our todays.

God gave us, the people, the power, not the governments, and God gave me the mind to lead, and teach, and share. Not for riches and fame, but for the welfare of His Creations. There is no glory in my wretched body, the Glory belongs to God, my Heavenly Father.

Why don't the politicians, the media, the organized religions, the idolaters, the corporations, and the military leaders want to give me any recognition or credibility? You decide. Is it my image?

Peace!!!

With ALL my Love,
Allen
