

# A new Song.

Allen D. Hurst

We are the Sons and Daughters

Of the Great God of love

We will write your laws and statutes

upon the tablets of our hearts and mind

We will worship and defend you

For above you there is none

We will unite in one body

Father, Son, <sup>and</sup> Holy Spirit

We will reign with Christ

Our Lord forever eternally

We will change this world

from death to life

And All mankind shall see

The face, the love, the heart

the mind of God

working in and through ~~me~~<sup>us</sup> all.

To Jesus we give thanks and praise  
for <sup>coming</sup> ~~being the first~~ to set us free

And if the Son hath made us free

We are free indeed

We are the Sons and Daughters

Of the Great God of Love
