

Good day and Peace, from the Father, Son, and Holy Spirit!!! In searching for and applying the truth to one's life, as Jesus says; you must be born again, of the water and the Spirit. Read the first epistle of John in the Holy Bible. Then apply an honest, careful reflection upon one's self; and the truth shall be in you. Then when you apply the truth to today, the present, now; you plainly see and hear those who have been elected and selected, to govern: are liars.

To apply and practice peace; as illustrated in the document found at <http://www.treeoflifecenter.net/docs/Justice.pdf> we see that in the Spirit of Unity it is far better to work together for the common good and share in the fruit of our labors. The folks who say, you cannot change the ways of the world, are the problem. Jesus teaches us; by doing His commandments, we overcome the world. The Spirit says; he, who overcomes the world, shall inherit all things. I am the Spirit of truth; I am with Jesus and Jesus is with us. Come see and hear for yourself, it is every person's right and responsibility to make up one's own mind, freewill, and the very thing that sets man the species apart from the rest of the animals. We are to be like Him, not by force, by choice.

Because we choose to do the will of God, that choice puts us at odds against man's world, therefore as is evidenced, they want nothing to do with us. Prophecy fulfilled. Examine the evidence for yourself, the consequences for not doing so is eternal separation from the love of God. These consequences are not reserved for after your life is over, they affect your life now, be honest with yourself, you know this is true. I know without a shadow of doubt, the Word of God is Faithful and True, it accomplishes exactly what is promised, I receive it daily. My duty and responsibility is what Jesus talks about in the book of John, chapter 16.

I do what is ask of me, to please our Father, not myself. I gave my, self, to God. You give your time and energy to folks who do not care about you at all, in return for money, which only causes you more grief and cannot fill the hole left in your heart by hatred and greed. For the love of God, man, wake up and open your eyes and ears, so you may see and hear what the Spirit is showing you!!!

As we walk around Bonne Terre, homeless, and see the empty houses and buildings, there is a serious problem, little or no opportunity. The Lord's work is to free the prisoners, lift up the feeble and weak, and heal the sick, care for the poor and needy, save the world from destruction. In order to rise above that world, one must be willing to leave it behind; you cannot receive a new life and hold on to the old one, it will corrupt it. And you will have accomplished nothing, just a waste of

energy? It depends on who you claim

You do have a choice, continue to be subject to man's hatred and greed, and suffer the consequences of that choice or choose the Kingdom of God, and enjoy the reward and benefits of being an heir to the will of God. The people retain the right to choose their form of government. Choose well, choose the tree of life, choose God, choose Heaven, and choose to believe we can make God's world our world. Choose to obey the Holy Spirit and He will show you the Father and the Son. And you will see; we are one!!!
