

Good day and Peace, from the Father, Son, and Holy Spirit!!! This is an open invitation to ALL who Believe and Do His Will. As children of the most High God, We have a duty and responsibility to overcome the world, and the evil therein. Jesus said, Him that overcomes will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name.

I am sent from the Father, at the request of the Son, to show you things to come. Come, see and hear what God has in store for you. I am here to serve God; I am here to show you the Truth. Gods' Truth. The governments and the corporate world have nothing to do with us; they are liars and thieves, stealing our lives and resources, so they may live in luxury, at our expense. They are the problem, not us. I am not against government or the trading of goods and services; I am against Inequality and Falsehood.

Let us turn our attention to To-day, now, the present, as Jesus instructed, do not care for the world or the things of it, and do not worry about tomorrow, focus on today. Seek ye first the Kingdom of God and His righteousness, when the people put God first and do what He asks of us, All of our wants and needs will be met. When we are one with our Creator, manmade problems go away. If you cannot grasp this doctrine, it only indicates that you are not re-born, for all who are re-born of the Spirit, have the same heart and mind. Conviction!!!

So, in order to understand God, one must seek the truth, in seeking the truth, you will find Him in your heart and mind. When His Spirit is in you, you will know and see the truth. And the Lords Prayers will be fulfilled, for He asks that we all be united in one body. The word is the seed, and the seed sustains us, when we sow it in our hearts and minds, we overcome the evil with the good, this becomes reality when we do it.

In the Family of God, we have fellowship to get to know each other, this is required. Since you will not invite me, I invite you, come, let us put away our misunderstandings and begin the final transformation of our world, the new Heaven and Earth, where God is KING, and there is Peace and Prosperity for All His Children.

I am available 24/7, just show up or arrange a time and place via email, face to face communication is required to insure there are no misunderstandings; the

only topic to discuss is the application of the Word in daily life. One for all and all for one, Come, get ya some. Stop isolating yourself and join the Family, you will never be alone again.

We are looking for a location in Bonne Terre, if anyone has property to dedicate to the service of God, let's talk. We are dedicated and sincere. Because there has never been anything like this, there is nothing to compare it to, so if you want to be part of something new and exciting, come, if you think you know it all, and there is no hope or future, that we can't change the world, stay where you are, and get left behind.
