

Great Day, Grace and Peace are with You All in the name of Our Father!!!

## **Community Redevelopment and Family Plan**

Since, at the heart of every community is the family, we will begin here. We all have one father, God. At the cellular level, females produce eggs; males produce sperm, the combination of these two entities start the process of reproduction (intercourse). When a man and woman have reached the age of being mature enough to care for someone besides themselves, then and only then should they consider joining together and becoming one flesh (married). And until they produce offspring that can breathe on its own, they are not yet a family, they are part of the family, and still the whole family is dependant.

**Responsibility:** Since, God created all that is, He is the Father. His word is the final word in all matters. As children, we are to seek His guidance and counseling, and do what He says, the answer to your questions are in the doing. This is life and this is love.

**Harm:** Is anything that is contrary to pleasing God.

**Peace:** Is when we do the things that please God.

**Unity:** Is when we all come together, and put aside our differences, and do what is Right, in the Sight of God.
