

Good Day and Peace, from the Father, Son, and Holy Spirit!!!
Welcome to the Kingdom of God. 2,010 years ago or so, Jesus said, Behold the Kingdom of God is at hand. And most folks have heard or read about the events that have occurred since that time. Man, has by reason of unbelief or plain ole evil intentions, tried to keep the truth from Gods' children.

Here are some simple Truths:

1. God is here with us and for us.
2. God owns everything.
3. God has a better plan for His creation.
4. Man did not create God.
5. Gods' will is NOT to cause harm.

THEREFORE, inform the people of the world that there is another choice, a Universal government based upon the Word of God, not Mans greed. The resources of the earth belong to ALL the people, not just a few. Rather than trying to please man, of which there is no way to please, Please God. It pleases our Father, when we do what He asks of us, to Love Him, to Love Him you must Love His Creations and Do His Will. To deny this is to deny God and His Word, and exclude yourself from His Family and His presence.

SOTHEN, the solution to Mans problems is to simply give them to God, and accept His answers. In Mans world, you always arrive at the same problem; there is not enough money to solve the issues. Money and its limitations is a man made thing. Man places more value on physical things than spiritual, God is Spirit, God is Love, God is Real, God is Alive, God is Home. You cannot keep God from His property nor hide from Him. Death cannot excuse you from the consequences of your choices. No man can impose a harsher punishment than He who made you, you may think in your carnal mind death is the end, Jesus says, death is the beginning, to spiritually crucify the physical, and be Re-Born into His Kingdom, thus removing the curse and its effects. A new creature, made whole in the image of God, with full rights and benefits to His blessings.

NOWTHEN, Let us come together and unite in One, the body of Christ, ALL who believe and confess His name, and enjoy Life more abundant, promised to
