

If your heads giving you problems

For the evil that you do

Then clean it up and sweep it out

~~out~~ That's all that you can do.

Once the head is shining true

The body will to

If the treasures ^{that} you possess

mean more than life to you

Then you'll find the saying about

the eye of a needle to be very true

If you can't find compassion for

your brother

Then god has no compassion for

you

Yes, all the sayings in the book

of life are very very true

So let's stop beating around the bush

and get down to ~~what's~~ ^{the} truth

The Lord God Almighty made

the heavens and earth for people

like ~~me~~ ^{me} and ~~you~~ ^{you}

But If you can't turn the pages

in the book

Not even to take a look

Then take your place with all

the crooks

Who've been stealing from God

Now they just burn beneath the sod.
