

Listen ~~to~~ little children

to the words I've got to ~~say~~ ^{say}

A story of a man named Jesus

Who came to talk for God one day

But no one wanted to hear,

What Jesus had to say.

There is no place left to hide

From the pain and guilt inside

No man upon the face of this earth

Can ~~answer~~ ^{stop} or heal the ~~hurt~~ ^{harm} we've done

No one but God's only son

And when you're tired of life's strife
& strain

Just think this thought, ^{and smile} ~~in your~~
~~brain~~ again.

Help me Jesus^{to}, do the right thing.
